SAMPLE CREDIT CHECK APPLICATION

Some companies charge a $25. - $40 fee to process a credit check application through a credit checking service. This fee is usually not refundable and is in addition to your rent and security deposit.

Points to keep in mind:

1) The sooner you can accurately complete an application the sooner you can arrange to sign a lease and move in.

2) It is common for it to take 1-2 weeks for an application to be processed and returned to the landlord or management company.

3) It is not uncommon, especially if this is your first apartment, for a landlord to require the students and their family or guardians signature on the lease. In this case, you will need to supply the same information for all individuals.
