

Your Success is Our Business

Triton College

Center for Business and Professional Development

You may know Triton College as a community college, but it is so much more!

Triton College has redefined what a community college offers. We're dedicated to providing businesses with innovative learning opportunities for all their employees and we understand that to succeed in this dynamic business environment, the people in your organization must continue to grow and learn. The Center for Business and Professional Development provides training and development to meet those needs.

Customized training for your company, the way you need it done!

Whatever your training needs are, we have the expertise and personnel to build training programs that fit your unique needs. Together we will develop a training program for your team members that will inspire excellence through engagement, transformation and growth. We can bring the training right to your facility or at Triton's campus. Your choice.

Technical Training

Blue Print Reading, LEAN Manufacturing, 3D Printing, Safety Practices, Health Care

Employee and Professional Development

Leadership Development, Conflict Resolution, Team Relations, Microsoft Applications

Productive Workplace

English or Spanish as a Second Language, Diversity Training, Customer Service

Reach out today to discuss the training needs for your organization. Let's connect and discuss how Triton College and The Center for Business and Professional Development can partner with you to reach your goals.

Today's the day to learn something new!
