

LifeLine Ambulance delivers state-of-the-art medical transportation resources to healthcare facilities and hospitals in the Chicago land area with a customized and personalized approach to the clients that we serve. Lifeline Ambulance recognizes that without dedicated compassionate team members this would not be possible. If you are looking to join an organization of dedicated professionals- If you are a licensed EMT-B or Paramedic then we are looking for YOU!

Lifeline Ambulance Service offers competitive compensation, training and educational resources as well as opportunities for career growth and advancement within our growing organization.

Lifeline is an Equal Employment Opportunity Action Employer. We are now accepting applications for:

- Emergency Medical Technicians
- Paramedics
