**Triton College will Host Student Showcase Concert**  
*Concert will Feature Triton College's Music Students*

RIVER GROVE, Ill. – Triton College will host a Student Showcase Concert on Wednesday, May 3, at 7 p.m., in the R Building (Room R-218). The event is free and an RSVP is not required. The doors for the event will open at 6:30 p.m.

The concert will feature Triton music students who are advised by Triton faculty members Nathalie Colas Grant, James Davis, Dr. David Flippo and Robert Sherman, among others.

"Triton students will be showcasing their talents for everyone," said Salvatore Siriano, Triton's lead music instructor.

The concert will consist of all different types of musical styles, such as jazz and classical, with some students performing their own original pieces.

Siriano expressed that students feel a strong sense of accomplishment after performing in front of a large audience.

"The students who are performing consist of both music majors and students who are taking a music class to satisfy their fine arts requirement," he said. "There are many different types of students who come together, have fun and play music for the Triton community."
