3 PROGRAM GOALS – If your department or program already has set goals, attach the list. If not, please set three goals and include them here. A sample set of goals and guidelines are attached.

Having completed or taken courses in Engineering Technology, students will . . .

1) possess the requisite knowledge and skills to contribute positively to meeting the needs for applied engineering technologists in the Chicagoland area and beyond

2) have satisfied the necessary requirements for transferring to Bachelor of Science programs in Technology offered at schools like: Northern Illinois University, Illinois Institute of Technology, and Purdue University
