Program Assessment Plan (PEAR)

Program: Criminal Justice Administration

Mission/Vision/Philosophy Statement (if you have one): The primary focus of the Criminal Justice Administration program is to offer a comprehensive academic program that prepares a student to progress into a 4 year baccalaureate program. At the same time a student seeking to begin or continue their career as a criminal justice practitioner can benefit from coursework to develop or enhance their professional skills. The curriculum is designed to provide students with a fundamental understanding of the key components of the criminal justice system; police, courts and corrections.

Outcome to be Assessed | When | Course/Setting | Assessment Instrument (means of collecting evidence)
