DE Plan (purpose/statement)

With a focus on student success and the implementation of quality distance education, the following plan looks at the opportunity for growth and the need to provide a clear strategic direction to expand the opportunity to meet community needs for access through an effective online program development.

Triton College Distance Education Plan

The identified goals are designed to reflect qualities of the College’s mission.

Goal 1- Implement responsive structures for growth of Distance Education that facilitates equitable and successful review (assessment), and development and completion of online courses and programs.

Goal 2- Create appropriate infrastructure in technology implementation, organizational structure, resource development, and faculty input and guidance.

Goal 3- Establish a functional structure for an e-Campus (virtual Campus) by which degrees and certificates can be earned by students in an entirely online environment and is transparent in process.

College Mission

Triton College is committed to student success through institutional and academic excellence, and providing a student-centered, lifelong learning environment for our diverse community.

College Vision

Triton College is a model of teaching excellence and student success. We are a community college that embraces the educational, training and personal development needs of the diverse communities we serve through innovation in our programs and approach to learning.

College Core Values

The Core Values of Triton College are Integrity, Communication, Excellence, Teamwork and Service.
