When students consistently underachieve academically, the Institution shall take a proactive position in order to improve academic performance. Specifically, students on academic probation have demonstrated inadequate academic performance, resulting in a cumulative grade point average below 2.0. In order to correct or improve on academic performance:

1. Students who have completed 12 credit hours and have a cumulative GPA below 2.0 shall be required to enroll in COL 102, Being Successful in College, in the next semester.

2. This policy shall be mandated for students placed on academic probation as a result of course work completed during the previous 12 months.
