To register, call: (708) 456-0300, Ext. 3500, email askce@triton.edu or visit us at www.triton.edu/ce.
Automotive Technology for Kids
The engine, the brakes, and the wheels are all essential parts to any car. Automotive Technology for Kids is designed to introduce young students to the basic features and maintenance of a car. Tire changing, headlight replacement, fluid identification and battery charging are just a few of the lessons introduced in the class. Understanding how a car operates, the responsibilities of operating a car, and safety are other topics covered in this camp as well.

Tuition: $92

Scratch Programming
Young students will learn how to create computer animations and games using Scratch, a programming language from MIT. Fundamental programming concepts, through making and importing objects, creating audio recordings, and using them to build and play computer games or music videos.

Tuition: $135

GADgET Girls: Adventures
Introduces female youths between the ages of 12 and 16 to the world of manufacturing through hands-on projects, and site visits to manufacturing facilities. CAD, entrepreneurship skills, academic requirements for 21st century manufacturing careers, as well as teamwork skills are included.

Tuition: $250

Junior Artist
Are you a budding Picasso or just want to express yourself creatively? In art camp, you’ll be able to do that using one or more of several media—drawing, painting, sculpture, collage, or a combination. Let your inner artist out and share your work with other young artists.

Tuition: $95

RoboCamp: Deep Space Teraform
Travel to the edge of the universe in a robotic adventure that reveals a future when humanity will transform distant planets into livable habitats. Campers will participate in a mission to make the planet Pantheon habitable for a colony of space explorers. They will be put through a series of training exercises, which includes using the space deck mission simulator and visiting four small moons to help sharpen their robotic and terraforming skills before they can go on this mission.

Tuition: $120

Waterbotics Youth Program
Young students will have fun learning math, science and technology skills, as they design and build aquatic LEGO robots and solve design challenges. Sensors, motors, drive configurations, and programming in Lego Mindstorm is covered.

Tuition: $135

Parent-Tot Swim
Give your pre-school child the opportunity to become adjusted to the water, attain skills and learn to socialize with other children. You’ll accompany your child into the water and learn techniques used to teach your child to swim. EACH CHILD MUST BE ACCOMPANIED BY AN ADULT AND OUT OF DIAPERS.

Tuition: $69

Children’s Swim Classes
Learn to swim! This course, taught by qualified Red Cross water safety instructors, is open to any youngster who can stand in three feet of water. Classes are divided into groups according to ability.

Tuition: $110

Baseball Camp
Join the Triton College Baseball coaching staff for a fun atmosphere and excellent baseball training. At camp you will receive advanced training at every position on the field and improve your hitting, bunting, batting stance, base running, stealing, catching, sliding, pitching, throwing mechanics, speed, and fielding skills. Camp is held at Triton’s new baseball field and surrounding practice fields. Players will have a chance to compete against other campers and learn drills they can practice year round. Bring glove and proper baseball attire. Section 101 recommended ages 8 through 11, Section 102 recommended ages 12 through 14.

Tuition: $166

Softball Camp
The Triton College softball coaching staff is ready to see you at camp this year. Receive training on field positions and improve hitting, bunting, base running, and stealing skills. Camp is held at Triton’s new softball field and surrounding practice fields. Players will have a chance to compete against other campers and learn drills they can practice year round. Bring your own glove and proper softball attire. Section 101 recommended ages 8 through 11, Section 102 recommended ages 12 through 14.

Tuition: $166

Soccer Camp
With the help of our Regional State Championship coaching staff, this camp will review fundamental drills and techniques from a variety of soccer positions. Instruction on passing, footwork, offense and defense will be provided. Camp is held at Triton’s new athletic facility. Section 101 recommended ages 8 through 11, Section 102 recommended ages 12 through 14.

Tuition: $166
