EARN UP TO $40 AN HOUR DOING SOMETHING THAT’LL BENEFIT THE HEALTH AND WELLNESS OF OTHERS!

Triton College’s Personal Trainer certificate program will put you on the fast track to earning certification in one year in a growing field.

Employment opportunities for health and wellness professionals are expected to grow by 27 percent over the next decade, according to the U.S. Bureau of Labor Statistics.

*Triton College’s certificate program prepares students with the knowledge and skills necessary for certification testing and accreditation by such certifying boards as the nationally-recognized American Council on Exercise (ACE).*
