Health Records

Health Records - Health forms may be obtained from the Triton College web site: [http://mytriton.triton.edu/campus-resources/health-services/Pages/default.aspx](http://mytriton.triton.edu/campus-resources/health-services/Pages/default.aspx). I encourage you to get started with the process as soon as possible as some of the items take several weeks to complete. The completed packet must be submitted to Jackie Marx in Health Services (located in the Student Center, Room B-112) by September 30th. Additionally, each student is required to have a seasonal flu shot and complete the drug screening.
