Project Achieve

The Center for Access and Accommodative Services' Project Achieve is geared toward highly motivated and committed students. The purpose of Project Achieve is to provide in-depth training and support services that prepare students to work independently within the college setting to complete their career and/or academic goal. Applications should be submitted one semester prior to when students wish to attend.

Program requirements:
- Students interested in Project Achieve must:
  - Complete Project Achieve Application and CAAS Confidential Data form
  - Submit H.S. IEP & Psychological Report
  - Take Triton College reading placement exam
- Attend Project Achieve twice every week
- Attend the required workshop training sessions each semester

Students will benefit from:
- Establishing a career goal
- Improving academic skills
- Earning a Certificate of Training for a specific occupation
- Gaining Community employment experiences
- Becoming a competent professional

Student’s will be contacted by CAAS staff for an interview after their documentation and placement score has been received and reviewed.
