PART 1 – ADMISSION

University Admission Requirements:

NATIONAL LOUIS UNIVERSITY (NLU) offers students who complete an Associate in Arts (A.A.) or Associate in Science (A.S.) at the TRITON COLLEGE (TC) the opportunity to complete a Bachelor of Science degree in Management (BSM) with full recognition of the Associate degree earned, except for degree programs in which more than 60QH of technical credit is required. All required courses in the AA or AS degree will apply to the Bachelor’s degree. Students who do not complete the AA or AS degree will be admitted to NLU as standard transfer students and will have all previous college work evaluated and transferred on a course-by-course basis.

Program Admission Requirements:

Students who successfully complete the TC Associate in Arts or Associate in Science degree will be guaranteed admission to National Louis University and the Management degree program. Student must have completed 90 QH (60 SH) to enter the BSM program.

PART 2 – ASSESSMENT

The COMPASS math and writing assessments must be completed by the end of the first term of enrollment at NLU. Students who have taken the COMPASS assessments at another institution within the past two years may forward that score to NLU in lieu of this requirement.
