

Olivia Garcia, Academic Advisor

Hi everyone! My name is Olivia and I am an Academic Advisor. I am originally from Illinois, but I earned my B.A from Iowa State University. While at Iowa State I had the privilege of working with hundreds of first-year undergraduate students, and I am so grateful to be continuing that work here!

Assigned Programs:

- Trustees Honors Scholarship Recipients
- First Year Students:
- Associate in Arts
- Associate in Science
- Associate in General Studies
- Undecided Students

Most of us enter college not sure what we want to do...don't worry! When you step into my office you can expect an environment that helps foster self-discovery and confidence building, so that you feel empowered to make the best educational decisions for you. Additionally, I strive to create a brave space for students on campus - all identities are welcome in my office!

Things you should know about me:

- I love to crochet.
- I love being outdoors whenever possible.
- I always have a bin of fidget toys in my office for students to use while we're meeting!
