

Operational Assembly

- Mike Garrity reported the group did not meet in January and they are continuing to move forward with work reviewing and updating College Performance standards. Currently testing UI5 and will have an update to share with the group in February.

Academic Senate

- Dr. Flaherty reported that Senate does not meet in January. Ongoing maintenance of by-laws, they are updating titles. The next meeting is February 12, 2:30 pm in B204/210.

Student Success

- Shelley Tiwari shared information on the Adjunct Teaching Learning and Success (ATLAS) which provides a professional development program for Triton's adjunct faculty.

Coworker Connect Update

- Christopher Clem provided an update on the Coworker Connect Committee. Two upcoming events have been planned - Coworker Trivia is Tuesday, February 19 at 2:30-3:30 pm. The event will provide an opportunity to socialize and learn more about colleagues. The second event will be held in Café 64 on Tuesday, April 9.

Institutional Updates

Appointment of Vice President of Academic Affairs - At the January Board meeting, President Moore recommended Dr. Sue Campos as the new VP of Academic Affairs and the recommendation was approved by the board unanimously. Dr. Campos will begin her new role June 1, 2019. During the board meeting, faculty members expressed concern regarding the process for the appointment. President Moore, in sharing her process for this recommendation, noted that the selection of the new VP internally will facilitate an effective transition and help to continue our momentum in academic success.

Presidential Advisory Committee on Equity & Inclusion – President Moore discussed recommendations from the advisory committee and its transition to a newly structured diversity committee. This Diversity Committee will become an integral part of Operational Assembly and will be co-facilitated by a faculty member and administrator.

College Council Membership

Several Council members' terms will be concluding on June 30. President Moore will work with representatives and discuss the process to fill the upcoming vacancies.

Other

Council discussed the Campus Closing Alert that was sent via text and email for the late start on January 28. Reminder to staff: closures are announced on the Triton website, the main phone number, social media, text, email and phone call during business hours. Please update your contact information with Human Resources to ensure you receive the alerts.
