University of Illinois Springfield
We are the U of I campus where classes are small (student-professor ratio averages 13:1) and professors know their students – not just their names but their strengths and their goals. You’ll enjoy the close relationships that naturally occur with these teacher-scholars. Professors, not teaching assistants, teach our classes at both the undergraduate and graduate levels.

University of Illinois Urbana Champaign
Illinois students, scholars, and alumni are a community with the power to change the world. With our land-grant heritage as a foundation, we pioneer innovative research that tackles global problems and expands the human experience. Our transformative learning experiences, in and out of the classroom, are designed to produce alumni who desire to make a significant, societal impact. UIUC offers over 150 majors within 11 different academic units. Nearly 34,000 undergraduate students study at Illinois with roughly 1,250 new transfer students joining us each fall.
