

**VERIFICATION OF  
DEPENDENT SUPPORT**

Dear Student:

A review of your 2021-2022 FAFSA indicates that you support dependents other than your spouse or children. It is, therefore, necessary that we request additional information on these dependents to ascertain that you will support them at more than 50% for the period July 1, 2021 through June 30, 2022. Please provide one or more of the following verification items that pertain to your situation:

- Legal Guardianship document(s), recorded copy
- Proof of Benefits (e.g. TANF, Section 8, SNAP)
- Expense Receipts (e.g. daycare payments, insurance deductibles, school fees)
- Medical Insurance (e.g. private, state)
- Child Support – at more than 50% of total cost of support
- Income of Dependent (e.g. W-2, 1099, current paycheck stubs)
- Letter of Explanation, dated and signed

**NOTE:** If data submitted does not verify proof of support at **more than 50% of total cost of support**, additional documentation will be requested by the Office of Financial Aid.
