

**2017-18 V5 Aggregate Verification Worksheet****Verification Information**

What is verification and why was I selected?

Verification is the process by which certain required information on the FAFSA is reviewed for accuracy and completeness.

Students are selected for verification for one of the following reasons:

- The Central Processing System found inconsistencies and/or potential errors in the student's FAFSA
- Random selection
- School selection

**The Financial Aid Office will notify you if there is additional documentation needed or any other questions to be answered.** After verification is complete, you will be notified about the amount of financial aid you are eligible to receive.

**The Financial Aid Office cannot process your financial aid package until verification has been completed, so it is imperative that you provide the required documents as soon as possible.**

List in the box below those individuals who did not and were not required to file a 2015 federal income tax return. Also list any employer(s) and any income received in 2015 (use W-2 forms or other earnings statements).

**Note: By signing this document you are certifying that you were not required to file income taxes for 2015, and both the source and amount of income earned from work as reported on the FAFSA are correct.**
