

Triton College and Concordia University Chicago

3+1 Bachelor of Arts Degree in Sports and Recreation Management

A convenient, affordable and streamlined approach to earn a Bachelor of Arts degree.

Who can enroll in the program?

New Students

- Who are entering the Associate Degree in health, sport, and exercise science, with a concentration in sports and recreation at Triton College and want to see a clear A.S. to B.A. pathway.

Currently Enrolled

- Students who will complete (they haven't completed since they're in the program) an Associate in Science (A.S.) Degree in health, sport, and exercise science with a concentration in sports and recreation at Triton College.

Alumni

- Students who have graduated with an associate degree in health, sport, and exercise science from Triton College with a concentration in sports and recreation management can be considered for admission for this 3+1 program.
- Alumni who may not have graduated with an associate degree in health, sport, and exercise science but have some courses in this program and may want to return to finish the A.S. degree.
- A transcript evaluation will need to be completed by both schools to assure all prerequisites have been met.
- Please contact your advisor for degree and partnership requirements.

Program Overview

- The first three years are offered by Triton with the final year 100% online by Concordia University.
- The 34 credit hours earned through Concordia University Chicago are offered at a tuition rate of \$505 per credit hour.
- For students earning a B.A. degree in sports and recreation management, the program consists

of 123 credit hours, including 89 credit hours of Triton College courses and 34 credit hours of Concordia University Chicago coursework.

The Advantage

The 3+1 program allows students to complete their A.S. degree from Triton College. Once completed, students are allowed to take additional courses beyond their degree at Triton. The final year of classes are taught by Concordia University Chicago faculty.

3+1 Benefits

- Five to eight week online courses.
- Maximize transfer credit.
- Save time and money.
- Dual degree options, B.A. to M.A. or B.A. to M.B.A. pathway.
- Take one to two classes at a time.
- Continuation of familiar Blackboard system software.
