Triton College Offers College for Kids Camp
School of Continuing Education Hosts Academic Camp

RIVER GROVE, Ill. – Triton College’s School of Continuing Education will be hosting College for Kids Camp, June 27-30, 8:30 a.m.-12:30 p.m. Enrollment cost for the camp is \$199.

“We are so excited to offer College for Kids at Triton College through the School of Continuing Education for the first time,” said Katie Rullo, associate dean of the School of Continuing Education. “It’s never too early to start thinking about college.”

Students ages 11 through 14 will have the opportunity to see what it’s like to be enrolled in real college classes - with a twist. Campers are required to choose one major and one minor area of study and will be taught by expert professionals in that field.

“The campers will gain instruction and hands-on experience while working alongside peers who share a similar interest and passion for a specific subject,” explained Rullo.

At the end of the week, the students can showcase their innovative projects to their families.

“This camp offers the opportunity to strengthen student interest in certain academic areas, and exposes students to new learning opportunities and realms of possibilities that they were previously unaware of,” noted Rullo.

Parents can enroll their children through the online registration page:
triton.edu/college4kids/.
