**Triton College Presents Community Concert Band and Choir**  
***Participation is Open to All***

RIVER GROVE, Ill. – Triton College’s Music Department presents their Community Concert Band and Choir for the 2022-2023 school year. Community members are welcome to be a part of the ensembles free of charge.

The band will meet Mondays, from 6-7:45 p.m., beginning Jan. 23. The choir will meet Tuesdays from noon-1:45 p.m., beginning Jan. 24. Both the band and choir will meet in the J Building (Room J-205). Registration in advance is encouraged.

Salvatore Siriano, Triton’s lead music instructor and band director, said musicians from all different skill levels and experience are invited to participate. Auditions will not be required.

“This is a great opportunity for non-music majors, who participated in band or choir in high school, to sing or play with an ensemble,” Siriano said.

Siriano added that creating music teaches students how to work together to accomplish a common goal, which is a successful performance.

Students who participate in the Community Concert Band and Choir can also develop an appreciation of music as an art form and broaden their understanding through the study and performance of different styles of music.

“Participating in an ensemble is a wonderful way to make friends and build relationships with people who have a common interest,” said Siriano. “Those interested have the opportunity to participate in rewarding concerts and perform music from a variety of styles and cultures.”

The band and choir will conclude the spring semester with a performance on Friday, May 5, at 7 p.m., in Triton’s Performing Arts Center (R Building). The band will also perform at Triton College’s Commencement Ceremony in May.
