Triton College Hosts Career Fair to Connect Talent with Employers

Cook County Career Connector Hiring Event and Resource Fair in September

RIVER GROVE, Ill. – Triton College will be hosting a career fair on Thursday, Sept. 22, from 10 a.m. – 2 p.m., in the Student Center Cafeteria (B Building). This career fair is for technical jobs and is sponsored by the Cook County Career Connector, and is free to all.

Members of the community are invited to meet with some of today's most important technical employers of technical careers, such as ComEd, S&C Electric Company, X-Cel Technologies, Inc., Acme Industries and Freedman Seating Company, among others.

According to Antigone Sharris, Triton's chairperson of Engineering Technology, companies in attendance are looking to fill many jobs in technology areas.

Persons interested should bring five clean, unfolded copies of their resume in a folder. Business casual clothing is acceptable.

"Triton College has been chosen to host the career fair because of its central location in the Chicagoland area," Sharris noted.

The Cook County Career Connector is promoted by The Chicago Cook Workforce Partnership in collaboration with the West Suburban American Jobs Center.
