Community College is the focal point of community engagement.

Triton College Hosts on Campus Auto Show for Second Year
Auto Show will Feature Mix of Modern, Classic and Antique Cars

RIVER GROVE, Ill. – Triton College’s Automotive Technology Department and Admissions Department will be hosting an auto show on Sunday, April 24. The show will feature a mix of classic and antique cars.

The event will be held in Triton College’s East Campus parking lot by Fifth Avenue and Albert Bruno Way, 10 a.m.-2 p.m.

“There will be an amazing mix of classic cars, antique cars, hot rods, muscle cars, modern sports cars, motorcycles and more,” said Daniel Lamoureux, assistant director of Triton College’s Admissions Office. “Last year we enjoyed some movie

replica vehicles like the *Back to the Future* Delorean and the EM-50 Vehicle from Stripes.”

Lamoureux said Triton is sponsoring the auto show to promote the Automotive Technology Program. Each of Triton’s auto tech garages will be open for display and automotive faculty members will be giving tours and answering questions.

The event is free and open to the public. An RSVP is not required and “folks just need to come to campus and enjoy the show.”

This is the second year Triton is having the auto show. Since the auto show was such a huge success last year with over 450 cars on display Lamoureux said the college is already looking forward to the show again in 2023.

As one of the first local car shows of the year, many of the drivers are excited to stretch their legs and spin their wheels for the first time in the 2022 season.

In case of inclement weather, the alternate date is set for Sunday, May 1.

Those who are interested in registering their car for the auto show can go to www.triton.edu/carshow.
