**If you do not meet any of the above measures for English or math:**

You will need to take ACCUPLACER math and/or ACCUPLACER English. For additional information on how to take the ACCUPLACER placement test, please visit [triton.edu/testingcenter](http://triton.edu/testingcenter).

If you have any questions about the above measures, please make an appointment with an advisor at [triton.edu/advising](http://triton.edu/advising).

### Dual-Credit Students

Most dual-credit courses will not require placement testing. Dual-credit courses that require prerequisites in math and English may demonstrate proficiency through the appropriate placement measure.
