

### **Elizabeth Potter—Trustee**

Elizabeth Ann Potter was elected to the Triton College Board of Trustees in April of 2011.

Potter, a Brookfield resident since 1973, has dedicated her life to volunteering. She served as PTA president and Local School Council president of Eli Whitney High School. Potter has volunteered at the La Grange Hospital and donated her time at the Riverside-Brookfield High School, as well as serving her community in many other ways.

Potter's son, Gregg, is a 1982 Triton College graduate.

Elizabeth decided to run for the Triton College Board of Trustees as another outlet to support her community through volunteerism. She realized the challenges that the college is facing in the current economic climate, and she is looking forward to improving Triton's situation and ensuring that the college can continue to provide unrivaled opportunities for residents in the district.
