

FREQUENTLY ASKED QUESTIONS

How do I borrow a computer? There will be chromebooks available, check the Adult Education website and Facebook page for updated pick up information. If you have borrowed a Chromebook for spring semester, a revised return contract reflecting the governor's stay-at-home order will be issued.

I do not have internet at home. How can I take a class? The college is exploring ways to assist students with gaining home internet access. Stay tuned for more information.

How do I get technology help? Please e-mail us at adulthoodeducation@triton.edu, include your name and the issue that you are having.

How do I update my contact information (phone, email, address)? If you are currently in class, your teacher will help you update your contact information; if not, please contact us at adulthoodeducation@triton.edu.

How do I register for summer classes? Currently enrolled students will be registered by their teachers during the first week of May. If you took a class within this academic year (Fall 2019 and/or Spring 2020), but are not currently in class, please e-mail adulthoodeducation@triton.edu by May 8th.

I am a new student- how can I register for class? We are accepting new students for the Fall 2020 semester. Please e-mail us at adulthoodeducation@triton.edu to get started.

Will I have to complete new student orientation in person? We are planning to offer virtual information sessions and orientations throughout the summer. We will post a schedule on our website and Facebook page once it is available.
