

Adult Education Department

Citizenship

Are you thinking of becoming a citizen of the United States?

The first step is to prepare for the U.S. Citizenship and Immigration Services (USCIS) test. The test consists of an oral interview and a written test on U.S. history and federal and state government functions.

If you speak, read and write English fluently, then you are ready to fill out your citizenship application right away. If you do not, Triton's Adult Education department offers English as a Second Language (ESL) classes throughout the year.

Our citizenship class will prepare you for the citizenship examination and the interview. The class is free of charge.

Fill out an [intake form](#) to register today!
