

**NOTE: Triton College is not a medical facility or a controlled access facility. Triton College is on par with cleaning as your local grocery store in the middle of the day.**

**Specific to GADgET:**

To help with safety on the topic of Covid-19, the additional SHOP RULES are as follows:

1. Your personal face mask is required to be on at all times, in the buildings and in any of our classrooms. *No face masks will be provided.*
2. Personal PPE's required in our labs provided by the school will be safety glasses and one pair of work gloves. *No additional PPE's will be provided.*
3. Social distancing required in spaces and hallways (6' apart).
4. Shared use equipment, from various shop tools, manual or power tools, to vices and clamps, will not be cleaned between students using them during lab time.
5. One person per table restriction.
6. No gathering around in the hallways or rest areas.
