## **Get Ahead This Summer: Triton College Opens Registration for 2026 Term**

**RIVER GROVE, Ill.** — Registration for Triton College's summer 2026 term is now open, giving students access to affordable, high-quality education from award-winning faculty.

Beginning May 26, summer classes at Triton College offer cost savings and flexible schedules, allowing students to move closer to graduation or advance their careers. With convenient class times, including online and accelerated options, students can advance their education while balancing work and family commitments.

Triton classes cost significantly less than courses at four-year institutions. Students can earn transferable credits, complete degree or certificate requirements, and reduce overall tuition expenses. Whether catching up, staying on track or getting ahead, Triton provides a high-quality educational environment.

"Summer is a great time for students to keep moving toward their educational goals, and Triton College is pleased to offer flexible, affordable options that meet them where they are," said Mary-Rita Moore, president of Triton College. "Whether you are a current Triton student or a student returning home for the summer from another institution, our courses make it easier to stay on track and accelerate your progress toward your educational goals."

As a community college with deep local ties, Triton allows learners to progress academically within their own community. This proximity helps students save on housing and transportation while remaining connected to family and work.

Since its founding in 1964, Triton College has stood by its vision to empower student of all ages to succeed in life-changing ways. The college offers more than 130 degree and certificate programs to prepare students for today's global economy, help them achieve career goals and support personal growth.
