## CLEARED4 USER GUIDE

Welcome to CLEARED4, a user friendly and simple way to screen for your possible Covid symptoms each day and track your Covid-19 Vaccination Status. To use our system, there is NO app to download and no username/passwords to remember.

### STEP 1: Welcome Message

You will receive a welcome email with a link from Triton College. You can open this link on ANY feature phone, smart phone, tablet or computer. The device just needs an active internet connection. If you are having any technical issues with using CLEARED4, please contact Triton College's support at [cleared4@triton.edu](mailto:cleared4@triton.edu)

### STEP 2: Main page

Once you have clicked the blue button, you will first see a notice and disclaimer from Triton College. Click CONTINUE and I ACCEPT to go to the health questionnaire.

The screenshot shows a white box with a grey border containing two sections: 'Notice' and 'Disclaimer'. The 'Notice' section has a blue header and text about COVID-19 statistics and a 'Continue' button. The 'Disclaimer' section has a blue header, a paragraph of text, and 'Cancel' and 'I Accept' buttons.

**Notice**

The CDC estimates there have been at least 22.7M Covid-19 cases and 379,000 deaths in the US and 91M cases worldwide and 1.95M deaths (as of January 2021). The questions in the following health assessment are meant to determine whether an individual with flu symptoms is at high-risk for needing medical attention based on CDC and FDA criteria.

### STEP 3: Vaccination Information

Triton College requests that you upload your Vaccination card. Once you have uploaded your card, you may show it at any time using the button below. As a security measure, you will be sent a one-time text code to access your vaccination card. This will give you the convenience of having a secure way to show health records digitally.

That's it. Welcome back!
