

Winter Math Bridge

A FREE program designed
to get your math skills to college level!

The Winter Math Bridge is FREE and lets incoming and returning students get ready for college-level math courses for the spring 2023 term.

You could place into a higher math class after the program, saving time and money. You may choose to attend the program either in-person or online. Both modes will have real-time interaction with the instructors.

Triton College Winter Bridge Program, 2023

Dates: Tues., January 3rd through Fri., January 6th and Mon., January 9th through Thurs., January 12th

Times: 10:00am – 2:00pm

Location: M-150

Lunch served on Thursdays.

Complete this Winter Bridge Program, and you'll receive a tuition voucher (at the in-district rate) to take our credit-level COL 102: College Readiness course in the spring 2023 term!

For more information about the Winter Math Bridge Program, please contact Christina Bavone at christinabavone@triton.edu or Derek Salinas-Lazarski at dsalinaslazarski@triton.edu.

Winter Math Bridge Program Application

Please complete and submit this application to be eligible to participate in the Winter Math Bridge Program.
