

TRITON COLLEGE BOARD BRIEFS

July 17, 2018

Chairman's Report

During the Budget Hearing, increasing enrollment was discussed as a way to improve revenues and reach those in the community who need us. The Chairman's Report was an encouragement for employees to continue efforts to serve the community.

Grant Funding Up The Grants Development Office and college staff involved in securing grants were recognized for an increase in grants awarded, up over \$2.65 million for FY 18!

Academic Programming

Vice President Debra Baker provided updates on up-and-coming programs including Honda Auto Technology, Sterile Processing, Continuing Education Optician and Medical Scribe, and Engineering Technology/Welding.

Programs under development for the future include:

- Peripheral Vascular Technology
- Mercedes Benz Auto Technology
- Renewable Energy
- Diesel Maintenance

College focus continues on expanding quality programming toward our evolving labor market.

Action Exhibits and Purchasing Schedules Approved

All of the exhibits presented to the Board were approved, including several clinical affiliation agreements for health care programs. See the [Board of Trustees website](#) for information on all of the items that went to the Board of Trustees in July.

Classified Association President Renee Swanberg thanked Chairman Stephens and President Moore for attending the Tree Planting Ceremony in memory of Missy Cabrera.
