Triton College is proud to be identified by the American Association of Community Colleges as a Service members' Opportunity College (SOC) providing educational assistance to active-duty service personnel. An SOC institution offers the following benefits for service members:

1. Use of admission procedures that insure access to higher education for academically qualified military personnel.
2. Evaluation of learning gained through military experiences, and academic credit awarded, where applicable.
3. Evaluation of non-traditional learning and awarding of academic credit for such learning, where applicable.
4. Evaluation of requests for inter-institutional transfer of credits and acceptance of such credits where appropriate.
5. Flexibility in satisfying residence requirements by making adjustments for military students who transfer from other college districts.
