BOARD OF TRUSTEES, DISTRICT 504

ACADEMIC AFFAIRS

INDEPENDENT STUDY

POLICY 6150
ADOPTED: 06/25/91

The Triton College Board of Trustees encourages student-initiated independent study programs with faculty involvement. This type of program provides the opportunity to pursue an educational topic or project of special interest.

All independent study projects will be initiated by students only after consultation with a full-time instructor who approves and agrees to supervise the independent study. The student must submit an Independent Study Proposal to the department chairperson or coordinator for approval. The proposed independent study must be comparable to existing academic requirements. The Independent Study Proposal must include a statement of objectives, activities, and evaluation criteria.

The tuition rate for independent study is the same as that for regularly scheduled college courses.
