Human Resource Management

Associate in Applied Science Degree

Triton College School of Business is thrilled to provide the first 100% online Human Resource Management, Associate in Applied Science Degree at Triton. Students can follow the cohort program and complete their degree in four semesters. In the Chicagoland area, there is a high demand for employees with a degree in human resources. According to the U.S. Bureau of Labor Statistics (BLS) there will be a positive outlook of job growth in the human resource industry in the next 10 years, with a 15.6% growth in the human resource job market in Cook County. Deloitte, JP Morgan, Accenture and US Bancorp are a few organizations that fall into the top-ranking organizations looking to employ individuals with a human resource degree. The average salary range reported by the BLS in 2018 for a human resource specialist was \$36,000 to \$104,000.

Admission

Enrollment Steps

1. Complete an Application for Admission

Visit Triton's website to complete our free application:

www.triton.edu/application.

- You should receive an acceptance packet within 7-10 days.

2. Take Placement Test (or Submit Waiver) and Complete Success Navigator

Testing is mandatory for all new students enrolling in credit courses.

You may be eligible for a placement test waiver based on your ACT/SAT/AP/IB scores, Seal of Biliteracy in English, high school GPA, or completion of college level English/Math courses with a "C" or better. Learn more about test preparation and waivers at www.triton.edu/students/testing-center.

- Note: You must have your scores or transcripts (unofficial documents sufficient) evaluated by a counselor in order to be granted a placement test waiver.

3. Complete *Destination Success* New Student Orientation

Visit www.triton.edu/admissions-aid/new-student-orientation to view a complete schedule of upcoming on-campus sessions.

- If there are no sessions currently scheduled or you cannot attend an on-campus session, this step may be completed online.

SUPPLEMENTAL ITEMS

Apply for Financial Aid and Scholarships

Many students seek additional funding to help pay for school.

- For Financial Aid, apply at www.fafsa.gov.
 - School code: 001773
- Begin as early as possible to maximize your aid opportunities.
- For more information regarding Financial Aid and Scholarships, visit www.triton.edu/finaid.

Submit Official Transcripts and Documents

All documents should be dropped off in the Records Office, Room B-220 or mailed from your school.

- Note: If you would like your transcripts evaluated, you must contact the Records Office to request an evaluation. It will NOT be done automatically.

Make Payment Arrangements

Payments can be made at the Cashier's Office in the Student Center, Room B-130.

- Payment options:
 - Payment in full by cash, money order, check or credit card (MasterCard, Visa, or American Express)
 - FACTS Tuition Payment Plan (via MyTriton Portal)
 - FACTS Deferred Payment Plan (via MyTriton Portal)

- The payment grace period ends approximately three weeks prior to the start of the semester. After that, tuition is due within two days (48 hours) of the date that you register.

Note: • Log onto your student portal at www.triton.edu/MyTriton for additional information.

- Most Health Career programs have additional admission requirements, including attendance at an information session.

For more information, call (708) 456-0300, Ext. 3858 (Nursing) or 3545 (other Health Careers) or 3130 (Call Center).

- For more information about high school equivalency exams (GED®, HiSET, TASC), call the Adult Education Office at (708) 456-0300, Ext. 3513.

Placement Testing

Triton College expects all students to either possess at the time of admission or acquire through appropriate developmental coursework, the basic reading, writing and mathematical skills that are necessary for success in the course or program of study chosen by the student.

Therefore, Triton College requires all entering students wishing to enroll in credit classes, to take institutional placement tests or provide formal documentation of basic learning skills. See counselor for exceptions.

Students scoring in the developmental range on the English placement test must enroll in appropriate college reading and/or writing courses prior to the completion of 12 academic credit hours. **New students must complete testing prior to attending orientation.**

Students with previously earned college credit may be waived from placement tests if they personally bring in a college transcript or grade report showing successful completion of a college-level English composition/rhetoric course or mathematics course with a "C" or better. **New transfer students** need to bring a transcript or grade report to their orientation program. **Returning students** should bring appropriate documentation with them at the time of registration. For more information, visit www.triton.edu/placementtesting.

Placement Testing Schedule

8:30 a.m.-8 p.m.	Mondays-Thursdays
8:30 a.m.-4 p.m.	Fridays
9:30 a.m.-2 p.m.	Saturdays

Please arrive at least two hours prior to closing to allow enough time to complete the assessment.

For more information see Page 12, call (708) 456-0300, Ext. 3252, or email testingcenter@triton.edu.

CAREER/Joint Agreements

The Comprehensive Agreement Regarding the Expansion of Educational Resources (CAREER) allows out-of-district students to earn an Associate of Applied Science degree or certificate at in-district tuition rates if the program is not offered at the community college in their district. Interested students should obtain approval to enroll in a specified program of study from their local community college.

For more information, contact the Records Office at (708) 456-0300, Ext. 3726.

Work in the District?

If you live outside Triton's district, but work full time (approx. 35 hours per week) for an approved in-district company, you may be eligible for in-district tuition. Interested students must first apply for a joint agreement, when applicable. If a joint agreement is not available, the company representative must sign the Company Contract Training Form (available in our Records Office) verifying the student's employment.

For more information, call (708) 456-0300, Ext. 3726.

Reduced Tuition for Older Adults

Residents of the Triton College district who are 60 years of age or older may register for credit classes at a reduced rate. The reduced tuition rate is \$6 per semester hour.

Additionally, senior citizens are entitled to a waiver of registration fee (\$2 per credit hour). Proof of age is required.

Responsibility of the Student

It is the student's responsibility to:

- know and observe their program requirements, the rules governing academic work and college policies.*
- meet all requirements and deadlines.

*For information on college policies and procedures, obtain a college catalog at the Welcome Center, located in the Student Center, or a student handbook in Room B-120.

Privacy Act/Directory Information

Students annually are informed of the Family Education Rights and Privacy Act of 1974 through the college catalog, which is distributed each year.

Smoke Free Campus
 All smoking and tobacco products are prohibited on Triton premises.

Tuition Payment

Due Dates

You may be dropped from all classes if payment is not received by the due date.

- Students who register now-July 30 must make payment by Aug. 1.
- Students who register July 31-Dec. 12 must make payment within **two** days.

Your billing statement and class schedule are available in your MyTriton portal.

You are responsible for paying tuition for all classes for which you have registered. You should not assume that you have automatically been dropped from classes if you don't pay for them by the due date. Be sure to drop any class you do not wish to take.

If you register, fail to attend, and fail to officially withdraw from classes, you are still responsible for the tuition. Students who receive grades but do not pay will be subject to collection fees when the account is turned over to the college's collection agency.

Payment Options

PAY ONLINE at www.triton.edu.

Go to www.triton.edu/MyTriton for instructions on how to log onto and navigate the new student portal. If you already have an account set up, you can go directly to <http://MyTriton.triton.edu>. All student information can then be found under the WebAdvisor menu. Payment in full can be made with Visa, MasterCard or American Express.

PAY BY MAIL

Payment in full can be made with a check or money order payable to Triton College.

PAY IN PERSON

Cashier's Office – Student Center, Room B-130

Payment in full can be made with cash, check, money order, Visa, MasterCard or American Express.

8 a.m.-7 p.m. – Mondays through Thursdays

8 a.m.-4 p.m. – Fridays

9 a.m.-1 p.m. – Saturdays, Aug. 10, 17, 24 and 31 Only

Pay by FACTS Tuition Payment Plan

To help you meet the expenses at Triton College, we offer a convenient monthly budget plan for students with a tuition balance of at least \$250. FACTS gives you two options for making monthly payments.

You may make payments by either automatic bank payments or by charging payments to your Discover Card, MasterCard or American Express. Because FACTS is not a loan program, there is no debt incurred, no credit search, and no interest or finance charges assessed on the unpaid balance. FACTS charges a \$25 per semester nonrefundable fee to enroll and participate in its program. Students who opt to use the credit card option also will incur a credit card convenience fee.

How FACTS Works

You must enroll online. Go to www.triton.edu/MyTriton for instructions on how to log onto the new student portal. Once you log in, select FACTS Payment Plan

from the Financials pull-down menu. After you submit your online agreement, a confirmation email will be sent to verify your agreement.

You may budget your tuition and fees one of two ways:

A. Automatic Bank Payment (ACH) – ACH payments are those payments you have authorized FACTS to process directly with your financial institution. It is simply a bank-to-bank transfer of funds that you have preapproved for your tuition at Triton College. Payment can be made from either your checking or savings account. Payments are processed on the fifth of each month and will continue until the balance due to the college is paid in full.

B. Credit Card Option – If you elect to use this option, monthly payments along with a convenience fee will be charged to the Discover Card, MasterCard or American Express as designated at the time of origination. The convenience fee is in addition to the FACTS nonrefundable enrollment fee. Payments will be charged on the fifth of each month until the balance is paid in full.

Completing the FACTS Agreement

When you enroll online be sure to have the following information:

- Your student ID number.
- The name and address of the person responsible for making the payments.
- Account information for the responsible person.
 1. If paying by automatic bank payments, you will need bank name, telephone number, account number and the bank routing number. Most of this information is located on your check.
 2. If paying by credit card, you will need the credit card number and expiration date.

FACTS Pending Aid Payment Plan

FACTS Pending Aid Payment Plan is available for eligible students applying for financial aid. An eligible student is one that has an expected family contribution (EFC) of \$5,000 or less (based on their FAFSA on file in the Financial Aid Office). The \$25 FACTS processing fee is deferred until the plan is activated. If the student's financial aid award covers all institutional charges, the plan is canceled with no penalty. If the student has an incomplete file, or a balance due after the financial aid award has been applied to their account, the student can choose to pay the balance due in a one-time payment and the plan will be canceled with no penalty, or the plan will activate and the \$25 FACTS processing fee will be charged to the student along with the first of the monthly installments.

Student Photo ID Card

A student identification card may be required to access various services on campus. An ID is required for admittance into the Educational Technology Resource Center, to check out materials in the Library and for discounted admittance to student events. You may obtain your ID at the Welcome Center in the Student Center. Two forms of identification are required: your current class schedule and a picture ID. There is no charge for the initial ID, however, there is a \$5 replacement charge if lost.

Welcome Center Hours

8 a.m.-7 p.m. Mondays through Thursdays
8 a.m.-4 p.m. Fridays
9 a.m.-1 p.m. Saturdays, Aug. 10, 17, 24 and 31 Only

Student Grade Reports

Final grades are available online on your Student Portal at <http://MyTriton.triton.edu>. Student Grade Reports are not mailed.

Refund Policy

A student who registers, fails to attend class and fails to officially withdraw from the class, is still responsible for all tuition and fees. A student who receives grades for a class, but does not pay, will be subjected to collection fees when the unpaid balance is turned over to a collection agency.

A student who officially withdraws from any class may be refunded a percentage of the course tuition, depending on when withdrawal is made (see the following table). The registration, late registration, proficiency test and special examination fees are not refundable. The auxiliary and student service fees are refundable only when official withdrawal occurs before the start of the semester.

Refund

A student is entitled to a 100% refund when official withdrawal is made no later than the first 5.5% of the class calendar days. A 50% refund will be granted within the first 5.6-8% of the class calendar days. Withdrawals after the 100% refund period will result in a grade of "W".

Students should refer to their current class schedule in the MyTriton portal for specific withdrawal dates for each term.

All requests for exceptions to this policy must be made in writing on a General Petition form and submitted to the Welcome Center in the Student Center within one calendar year of the semester in dispute. For more information, you may obtain a guide to refund petitioning at the Welcome Center.

Tuition Refunds/Credit Vouchers for Students Called to Active Military Service

Any active student who is required to withdraw from classes during his/her regular semester or summer term due to active military obligations will be entitled to a full refund of tuition or credit voucher (unless paid by a state/federal agency) upon evidence and notification to the college within the semester or term of withdrawal.

For more information, call (708) 456-0300, Ext. 3392, 3581 or 3540.

Financial Aid

A variety of financial aid options are available to help assist students in meeting educational expenses. By applying for financial aid, students will be evaluated for eligibility for federal and state grant programs, on-campus employment and low-interest student loans. Financial aid eligibility is based on the family's financial need as determined by the Free Application for Federal Student Aid. **For more information on financial aid, either stop by our office located in the Student Center, Room B-160, call (708) 456-0300, Ext. 3155, or visit us online at www.triton.edu/finaid.**

To apply for financial aid for the fall semester:

- Complete the Free Application for Federal Student Aid (FAFSA). The FAFSA **must be** completed online at www.fafsa.gov. Triton students should list our school code number 001773.
- Submit a final, official high school/high school equivalency transcript to the Triton College Records Office.
- Submit any additional forms that are requested to verify taxable and nontaxable income.

Scholarships

Triton College and the Triton College Foundation offer a variety of scholarships, as well as information on many private scholarships from other organizations. For more information on scholarship opportunities, please visit the Scholarship Office, located in the Student Center, Room B-160, or review our online scholarship directory and application listed under www.triton.edu/Scholarships/.

Financial Aid Refund/Repayment

Financial aid recipients who receive federal aid may be required to refund the federal programs if they withdraw completely from their courses on or before the 60 percent point of the enrollment period. Refund formulas consider institutional charges, financial aid awarded and last date of attendance in determining amounts to be returned to the financial aid program.

Standards of Academic Progress

All students receiving financial aid and/or veterans' benefits must meet the Financial Aid Standards of Academic Progress (SAP). The financial aid SAP policy is available from the Financial Aid Office, online under the financial aid section of Triton's website or in the Triton College Catalog.

Veterans' Benefits

Triton College is approved for the Montgomery and Post 9/11 GI Bill, Reservist and other federal veterans' educational programs, as well as the Illinois Veterans Grant, MIA/POW Scholarship and the Illinois National Guard Scholarship. Veterans should contact a Veterans Affairs representative in the Financial Aid Office, Student Center, Room B-160, or visit www.triton.edu/finaid: **Veterans Benefits**, for more information on eligibility and submission of necessary documents. **Additional resources are available at www.gibill.va.gov.**

Additional Information on Financial Aid Sources

For more information on sources of financial assistance visit www.collegezone.com.

Gainful Employment Information

To view estimated cost and employment opportunities for certificate programs, please visit www.triton.edu/GainfulEmployment.

Smoke Free Campus

All smoking and tobacco products are prohibited on Triton premises.

Fall 2019 Tuition Payment Schedule

Registration begins on **April 22, 2019**. Registering early gives you the best selection of classes, can significantly reduce the wait time to see a counselor, and allows you to set up a payment plan that gives you up to six (6) months to pay for classes. Register online through the MyTriton portal, in person at the Welcome Center, or by phone with the Call Center. Once you register for classes, you must make payment arrangements (see options below).

If you register between...	Tuition Payment Deadline
Now-July 30, 2019	Aug. 1, 2019
July 31-Dec. 12, 2019	Within two days

If you do not make payment arrangements within the specified timelines, you may be dropped from your selected classes. The college will send an email to your official Triton College email address notifying you of the need to re-enroll. **If you decide not to attend, please remember to drop courses for which you have registered. Otherwise, you will be responsible for all tuition and fees.**

The following **PAYMENT OPTIONS** are available to students.

- **Payments in full** may be made by cash, money order, check, or credit card (MasterCard, Visa, or American Express) at the Cashier's Office (Student Center, Room B-130). You may also pay online through your MyTriton portal.
- **Proof of third party payment** a third party (e.g., your employer) providing payment on your behalf.
- **FACTS Payment Plan** – Interest-free monthly installments to be automatically deducted from your bank account or credit card.
 - Program eligibility requires a minimum balance due of \$250 and a \$25 processing fee. A valid bank account or credit card is needed to set up the payment plan.
 - Apply online through your MyTriton portal.

Enroll by...	Required Down Payment	Number of Payments	Months of Payments
June 30	None	6	July-December
July 25	20%	5	August-December
Aug. 24	30%	4	September-December
Sept. 15	40%	3	October-December

- **FACTS Pending Aid Payment Plan** – Available for eligible students who have an expected family contribution (EFC) of \$5,000 or less (based on the FAFSA on file in the Financial Aid Office).
 - The \$25 FACTS processing fee is deferred until the plan is activated. If your financial aid award covers all institutional charges, the plan is canceled with no penalty.
 - If you have an incomplete file or a balance due after the financial aid award has been applied to your account, you may pay the balance due in a one-time payment and cancel the plan with no penalty. Otherwise, the \$25 FACTS processing fee along with the first of three monthly installments will be charged beginning on **Oct. 5, 2019**.
- **Financial Aid** holds will be applied if you have completed the financial aid application and have been awarded grants, loans or scholarships for the fall term.

Due to FAFSA processing time (usually three-five days), you may request a **one-time protective hold (up to seven days) in the Financial Aid Office** if you register and complete the FAFSA on the same day.

The Triton College Placement Test:

ACCUPLACER

The ACCUPLACER placement test has three parts: Reading (20 questions), Math (12 to 32 questions), and Writing (20 questions). All test subjects are untimed, multiple choice and computer-based. It is recommended that testers allow one and a half to two hours to complete the test.

Outside materials and personal calculators cannot be used on the test. A calculator icon will be available in the test platform for use on specific math questions. Scratch paper and pencil will be provided.

Students may be waived from one or more placement test subjects if they have successfully completed college courses in English and math, have qualifying ACT or SAT scores, or a qualifying high school GPA. The measures used for math placement are applicable for 18 months while the measures used for English are applicable for 3 years.

Test takers must complete a Triton College application at www.triton.edu/application before taking the placement test. A valid ID with the test taker's name and photo is required to test. There is no fee for the first attempt.

Placement testing is done on a walk-in basis in the Learning Resource Center (A Building), Room A-126. No appointment is required.

Call (708) 456-0300, Ext. 3252, or visit www.triton.edu/testingcenter for testing hours.

Access the free ACCUPLACER study app at
accuplacerpractice.collegeboard.org.

How Can I Prepare?

As in any testing situation, you can do your best by following a few basic tips:

- Review the practice testing material before you take the test. The review material includes information about key concepts contained in the test. After you complete a review of the concepts, you can take a practice test and get feedback about your knowledge.
- Relax! The ACCUPLACER test is designed to help you succeed in school.
- You will be able to concentrate better on the test if you get plenty of rest and eat properly before the test.
- You should arrive a few minutes early so you can find the testing area, restrooms, etc., and have time to gather your thoughts before the test begins.
- Be sure you understand the directions for each test before that test session begins. Ask questions if you need to.
- Read each question carefully until you understand what the question is asking. If answering an item requires several steps, be sure you consider them all.
- Be sure to answer every item. You are not penalized for guessing. Your score will provide more useful placement information if you answer every item, even if you guess.
- Don't be afraid to change an answer if you believe that your first choice was wrong.
- If you have a problem or question during the test, raise your hand and the test administrator will help you. Although they cannot answer test questions for you, they can help you with other types of problems.

For additional information, call (708) 456-0300, Ext. 3252.

Earn College Credit, While Still in High School!

High school students can get on the fast track to earning college credit while still in high school with Triton College's Dual Credit programs. This option offers an opportunity to jump start a student's college education while saving money.

Benefits of Dual Credit

- Save time and money by earning high school credit and college credit for the same course.
- Credits earned may be transferable to any Illinois public university if students earn a grade C or higher in the course.*
- The Triton Dual Credit Specialist or director is available to assist students toward their goal.
- Exposure to a new field of interest.

Who may enroll in Dual Credit?

Qualifying high school students can participate in dual credit. Students **MUST** complete the placement test or an alternative (such as the ACT) to qualify. Home school and private/parochial school students may also participate in Dual Credit.

For more information, visit triton.edu/dualcredit or contact:

Timothy Nystrom, *Director, Dual Credit*

Attention all Students

Get an early start on the financial aid application process for the 2019-2020 academic year by applying now at www.FAFSA.gov.

Students may complete and submit the 2019-2020 FAFSA now. This year's application has been available since Oct. 1, 2018. Some federal and state grant programs have limited funding and students are awarded based on first-come, first-served basis. Therefore, it is important to submit the FAFSA as early as possible in order to receive consideration for all funding sources.

Where do I start?

- **Complete the FAFSA (Free Application for Federal Student Aid) on the Web or by downloading the myStudentAid mobile app.**
The FAFSA must be completed and submitted to determine the student's eligibility for federal and state grants, Federal Stafford Loans, and Federal Work Study. Students may apply on the web at www.fafsa.gov. Triton College's school code (**001773**) should be entered on the FAFSA to ensure that our office receives your results. If assistance is needed in completing the FAFSA, students may bring their/their parents' appropriate year's tax returns (1040, 1040A or 1040EZ, W-2s and any schedules) and other necessary documents to the Financial Aid Office and a staff member will guide the student through all the steps needed in order to complete the FAFSA.
- **Submit an official high school/high school equivalency transcript to the Triton College Records Office**
Students should contact their high school (or where they earned their high school equivalency) and request to have a final, official copy of their transcript sent directly to the Triton College Records Office.

**For any questions or assistance, please contact the Triton College Financial Aid Office at (708) 456-0300, Ext. 3155.
finaid@triton.edu**

PROGRAMS OF STUDY

A complete listing of degrees and certificates offered.

Every degree-seeking student should create an academic program plan during their first semester on campus. An academic plan outlines the courses you plan on taking each semester until you graduate or complete your planned program of study. You will reach a higher level of success if you have an academic plan that tracks your progress towards completing your degree requirements. Academic plans allow you to view all of your requirements for your degree at a glance and in recommended order to ensure you fulfill all prerequisites. For more information, stop by the Counseling Center in Room B-100, or call (708) 456-0300, Ext. 3588.

Online Courses *at* Triton College

Is an Internet Course for You?

Internet/Online courses means the student and the instructor do not have to be at the same place at the same time in order for teaching and learning to occur. Through the use of technology, distance learning allows students to work classes into their busy home and/or work schedules.

Online Course Facts:

- Students participate in classes by logging on to the course website and interacting with the instructor and fellow students through email and/or discussion groups and chat rooms.
- Schedule your studies into your busy home and/or work schedule.
- Complete an AA/AS degree without meeting in a classroom.
- Some courses may require on-campus attendance for testing, orientation or instructional sessions. Contact your instructor for details.
- Faculty and students are linked via computer over the Internet.
- Students can access course information at any time, from any place that has an Internet connection (home, office, library, Triton ETRC, etc.)
- The instructors post written lecture information, course materials, assignments and discussion questions on the course website.
- \$25 course fee assessed for each online course enrolled.

Two common misconceptions about online courses are that they are correspondence courses and that they are self-paced — this is not true. The classes have scheduled beginning and ending dates and assignment deadlines.

Begin your course, check for new course offerings and find out if online learning is right for you. Go to this URL: www.triton.edu/online. Select **Credit Courses**.

Select **Info Sheet about Class** for special course requirements, including testing on campus, software needs, general course information and instructor contact information.

For more information, call the Triton College Educational Technology Resource Center (ETRC)* at **(708) 456-0300, Ext. 3361 or 3039.**

You may also want to contact your instructor for questions related to course content and schedules.

*The ETRC is the student contact for all Online/Blackboard and Illinois Virtual Campus courses. Student support services include orientations, online tutorials, tutoring, email, telephone, walk-in and online HELP form.

Every degree-seeking student should create an academic program plan during their first semester on campus. An academic plan outlines the courses you plan on taking each semester until you graduate or complete your planned program of study. You will reach a higher level of success if you have an academic plan that tracks your progress towards completing your degree requirements. Academic plans allow you to view all of your requirements for your degree at a glance and in recommended order to ensure you fulfill all prerequisites. For more information, stop by the Counseling Center in Room B-100, or call **(708) 456-0300, Ext. 3588**.

Triton College Veterans Resource Center

The Veterans Resource Center (VRC) offers access to academic, career and community resources to Triton's student veterans, active duty personnel and their families. The space is meant to encourage individual and collaborative learning among Triton's student veterans, while also providing a place for all veterans to connect and develop a healthy support system.

Veterans Resource Center
10 a.m. to 5 p.m., Monday through Thursday
10 a.m. to 4 p.m., Friday
Student Center, Room B-280

Triton College is proud to serve our veterans!

Take a Class on the Weekend!

Triton College offers convenient weekend classes. Some classes run a full semester, others are Fast Track weekend classes, which run seven weeks or less.

Seeking AmeriCorps Members!

Triton College is seeking students to join the AmeriCorps State Program. Participants in the program provide between 300-900 hours of service at predetermined sites, and can **earn an educational benefit of up to \$2,900 and may qualify for a \$5,000 stipend.**

Volunteer sites include Triton College Peer Mentoring Collaborative, Oak Park Public Library, and the West 40 Regional Safe Schools Program.

Come join this unique opportunity to strengthen the community through service, and earn educational benefits along the way. AmeriCorps State members are also part of a national network of dedicated volunteers that are recognized for service and contributions to our community.

For more information, please contact:

Rewarding Excellence with a Tuition Waiver

Do you have a 3.5 GPA or higher at Triton? Great! You may be able to qualify for a tuition waiver for two courses.

Requirements:

1. Enrolled in a degree-seeking program.
2. Have a 3.5 GPA in all 100 level or above courses taken.
3. Completed at least 12 hours in the past year in 100 level or above AA or AS courses.

You may petition to enroll in any two of the following Scholars Program* courses at no tuition charge.** Space in these courses is limited, with first choice going to Scholars Program students. The petition must be approved by the Scholars Program coordinator and the dean. Leave petitions in Room E-102E in the Liberal Arts Building for continuous approval review. (Acceptance into a course does not mean admission into the Scholars Program.*)

Scholars Program students must register in a total of 16 hours each semester. Register in any two (but no more than two) Scholars courses listed below, plus the one-hour HUM 299 course.

Planning to graduate in December 2019?

Remember to submit your Application for Graduation!

**Deadline:
Sept. 23, 2019**

All candidates must:

1. Have a high school transcript on file with the Records Office prior to graduation.
2. Earn a minimum 2.0 grade point average at the time of graduation.
3. Complete an **Application for Graduation** via your **MyTriton** portal.

It is recommended that you see a counselor prior to completing the graduation application to ensure that all program requirements are met. You may also verify your requirements by clicking on **Program Evaluation** in the **Academic Planning** section of the **MyTriton** portal.

TRITON COLLEGE

FIRST YEAR EXPERIENCE

What is First Year Experience (FYE)?

The First Year Experience Program (FYE) focuses on the first-year students and their transition from high school to college. Our goal is to provide academic and social opportunities for first-year students to connect with key campus resources and gain important leadership skills. Students may complete a college success course, attend various workshops and even join a student organization.

Why Enroll in the FYE?

The FYE Program offers early engagement opportunities for students enrolling in college. Statistics show that students who are more engaged are more likely to be more successful in attaining a degree. The FYE Program helps students establish patterns of decision-making and achieve an academic level that is essential for success in a student's college career.

Student Success Workshops

The FYE Program provides a series of workshops including:

- Math workshops and Math final reviews.
- Academic Planning.
- Time Management.
- Effective Study Strategies.
- Writing Well workshops.
- How to Prepare for your Finals.
- Financial Literacy.
- Note Taking and more.

Upon completion of the FYE program students will:

- Receive an FYE Program notation on your academic transcript.
- Receive a free voucher for three credit hours based on completion of FYE activities (the value of the voucher is based on an in-district rate).
- Earn valuable experience that will help to develop a strong foundation for academic success.
- Build friendships and connections with peers, instructors and staff.

For more information, go to www.triton.edu/fye or contact Juan Ovalle at (708) 456-0300, Ext. 3379, or juanovalle@triton.edu.

Educational Technology Resource Center (ETRC)

Room A-100 in the Learning Resource Center
(708) 456-0300, Ext. 3361 or 3039 • etrc@triton.edu

The Educational Technology Resource Center (ETRC) supports the college curriculum and encourages effective learning by distributing and processing material to support all courses. The ETRC staff provides learning materials and curriculum in a variety of formats including iPad2 tablets, video, audio, interactive laser disk, DVD and computer assisted programs. These services enhance or supplement Online/Blackboard courses. The center provides computer-based educational services to all current Triton College students, faculty and staff. ETRC is Triton's primary computer lab, with current technology and software. The ETRC also offers noncredit Continuing Education courses for Microsoft applications.

Hours of Operation

Computer Lab Hours

Monday-Thursday	8 a.m.-8 p.m.
Friday	8 a.m.-4 p.m.
Saturday/Sunday	Closed

ETRC Distance Learning Services

Online/Blackboard Courses

The ETRC is the main student contact for all Online/Blackboard and Illinois Virtual Campus courses. Student support services include orientations, online tutorials, tutoring, email, telephone, walk-in and online HELP form.

Miscellaneous

Reserved Materials

Instructors provide video, audio and CD-ROMs for students to view at their own convenience.

Small Audio Visual Equipment

Faculty and staff may check out laptops. Please provide a current Triton College staff ID when requesting equipment.

Bay Reservations

Faculty members may reserve a computer bay in the open lab by calling Ext. 3366 or 3361. Please include your name and contact information, course number, software needed for class, date of request, start and end time of class and number of students. Please make reservations early, as availability is on a first-come, first-served basis.

Software Requests

Faculty also can request installation of special textbook companion software or supplemental course-related software. However, please allow ample lead-time for our technical staff to complete the installation process before you come in.

For more information, call (708) 456-0300, Ext. 3361 or 3039.
www.triton.edu/etrc

Testing Center

The Testing Center provides a high quality, comprehensive testing and assessment program that supports the needs of our students, faculty, staff and community members. We offer placement testing, make-up and online testing, job skills assessment, external proctor services and credit by examinations assessments. For more information, visit us at www.triton.edu/testingcenter, stop in Building A, Room A-126 on the main campus, or call Ext. 3252.

Make-up Tests

Instructors may leave tests for students who are unable to take a test during regular class time. The instructor provides information on how to administer the test, time allowed, any aid (notes, open book) and any special instructional needs.

Proctored Tests

The Testing Center proctors all tests from other colleges or universities on request of students, faculty, other colleges and universities.

Constitution Test

The Testing Center administers the Illinois and United States constitution tests for students who need to fill a graduation or High School Equivalency (GED®, HiSET, TASC) requirement.

Prior Learning Assessment

The Testing Center offers the CLEP and DSST for students interested in earning college credits by examination.

*Please make reservations for group testing by calling Ext. 3852.

CAAS

Center for Access and Accommodative Services

Assistance for Students with Disabilities

The Center for Access and Accommodative Services (CAAS) at Triton College provides academic accommodations and accessibility services for students who have disabilities.

Students in need of note takers, testing accommodations, sign language interpreters, alternate text materials, scribes, adaptive equipment or other services must submit a request to the CAAS office, located in the Learning Resource Center, Room A-137, or call (708) 456-0300, Ext. 3854, or TTY (708) 456-0991.

Triton College offers a wide range of classes, programs and opportunities to meet the needs of area employers and residents for career development, professional training and lifelong learning.

Center for Health Care Professionals

Enroll at the one school that is recognized throughout the Chicago area for its long-standing reputation of preparing top quality professionals with the skills and compassion needed in today's health care environment. Designed with the input of practitioners in the field and more affordable than similar training offered elsewhere, Triton's programs offer students the latest knowledge and clinical experience in actual health care settings to practice at increasingly higher levels of excellence. Classes are offered at convenient times for working professionals.

Center for Business and Professional Development

Triton is committed to helping area businesses train, retrain and upgrade the skills of their workers necessitated by technological advancements or changing industry regulations. On-site training programs are available or can be developed based on your organization's specific needs and are taught by instructors who have direct experience in your industry. Public seminars and workshops on topics of current business interest are also conducted throughout the year.

Short-Term Professional Training

Need to update/upgrade skills for your current job or re-enter the workforce in a new position? Short-term training programs, many of which are unique to Triton, provide the background needed for success in a variety of occupations, including users of computer software, office executive, general office clerk, bank teller, pharmacy technician, certified nursing assistant, paralegal, and bookkeeping.

Lifelong Learning

Courses, workshops, seminars and conferences are available on campus and at convenient neighborhood locations to provide access to intellectual, social, cultural and recreational programming for adults, including seniors.

Youth Programming

From acting to astronomy and magic to mathematics, Triton College offers a constantly growing curriculum for children ages 5-15 in courses scheduled on-campus and at select community sites. These courses complement and enhance regular school schedules and activities while engaging children's motivation to learn.

Register for Continuing Education Classes in Three Easy Steps

Start dates range from July 17 to early December.

Step 1: Select Courses

Each course description includes the course number, location (including both on- and off-campus courses), date of first class, time, room number and tuition.

Personal Data

When it is necessary to withdraw or revise a scheduled class, the college will contact students as soon as possible. Current home and work phone numbers and address information must be accurate on your student records.

Tuition

The tuition listed at the end of each course entry includes these rates. For example:

\$48.00/126.00/19.00

The first amount is in-district tuition, the second amount is out-of-district tuition and the third amount is the special rate for in-district older adults (age 60 and over).

All tuition is subject to change without notice.

Fees

Students enrolled in "E" noncredit/vocational courses (i.e. PSY E01) are assessed fees totaling \$16 per Adult Education Credit hour (AEC). This includes the Registration, Auxiliary, Technology, and Student Services fee.

Students enrolled in "C" noncredit/personal enrichment courses (i.e. PED C01) are assessed a \$7 registration fee per course. Students registering for multiple "C" courses are eligible for a refund of any registration fee balance over \$7 and should contact the Continuing Education main office.

The registration fee is waived for in-district senior citizens age 60 years and older. In the event a student cancels a course, the Registration fee will not be refunded.

Extension Centers

Meeting dates for classes held at extension centers generally follow the schedules and/or school calendar of that center. When a center is closed because of local scheduling, severe weather or some other condition that makes holding class impossible, that class meeting will be canceled and rescheduling arrangements will be made at the next class meeting.

Refund Policy

- one hundred percent refund up to **three business days** (9 a.m.-5 p.m.) prior to the start of the class. No refunds will be granted after this time. No-shows do not constitute cancellation.
- requests for exception to the refund policy must be stated in writing on a General Petition or letter to the dean, Continuing Education Department and submitted to Room A-201 of the Learning Resource Center within one calendar year of the semester in dispute.
- all refund checks are mailed. Credit card payments are refunded by credit card and check payments are processed 10 working days after check receipt.

Scheduling

Triton College reserves the right to withdraw, postpone, combine or divide classes and to change either the time, dates or location of classes. Triton also reserves the right to make other required revisions that may be necessary when there are insufficient paid registrations; when qualified instructors, facilities or equipment become unavailable; or for other reasons that are beyond the college's control.

How to Register for Online Continuing Education Classes

Procedure for registering for online courses is the same as for any of our other classes. However, once you have registered for your class either through Triton's Website or by calling (708) 456-0300, Ext. 3500, you must let the online classroom know you are ready to start your class.

1. Go to www.ed2go.com/triton.
2. Select COURSES from the navigation menu at the top of the page.
3. Enter the name of the course that you want to access.
4. Proceed through the next steps, adding your name, password and contact information.
5. When prompted, select "Already Paid" and complete the process.
6. You are now ready to go through the orientation process and start your class on the appropriate date.
7. Please call Triton College to make your payment for the course.
8. Registration is a two-step process — please make sure to call Triton College to verify payment of your Ed2Go course.

If you experience any difficulty, our staff will be happy to help you.

Just call

Veterinary Assistant Program

Veterinary assistants are critical members of a veterinary staff. Learn the practical skills needed to assist veterinarians and veterinary technicians as you care for sick and injured animals. Learn how to assist with medical procedures, customer relations and examinations. Students will also learn how a veterinary hospital operates by focusing on billing, workplace safety and marketing in an externship. This 150-hour Veterinary Assistant Program prepares students for entry-level positions in the veterinary field. Upon successful completion of this course, the student will be able to demonstrate the practical skills needed to become a valuable veterinary assistant.

Career Outlook

According to the Bureau of Labor Statistics (BLS), employment in the veterinary assistant field is expected to grow 19 percent through 2026, which is much faster than the average for all occupations. Veterinary assistants and laboratory animal caretakers work mainly in clinics, animal hospitals and research laboratories. Their work may be physically and emotionally demanding. Salaries vary depending on experience, hours and location. Median annual wages of veterinary assistants was \$25,250 in May 2016.

Educational Requirements

Most employers prefer that veterinary assistants have a high school diploma or equivalent.

Retirement

Affording Retirement

Looking to explore if retirement is an option? This course will assist attendees in evaluating their readiness for retirement with several self-evaluation exercises. Once the exercises are complete, attendees will be introduced to the Ten Critical Questions related to retirement readiness. These are the essential questions that every retiree must answer before embarking on a successful retirement. We will cover how benefits are calculated, the nuances of Social Security, how benefits are taxed, benefits for spouses or widows and what happens to benefits if you are working. The basics elements of estate planning will be covered and students will be encouraged to conduct their own estate analysis.

Registered Behavior Technician

HTH E36

Sept. 9 to Nov. 13, 2019

ONLINE

60 hours, student must complete online modules

The Registered Behavior Technician training is for educators, parents or other professionals who would like to learn evidence-based Applied Behavior Analysis (ABA) principles and strategies for helping clients or family members with developmental behavior challenges. Individuals looking to work as special education teachers, childcare administrators, reading specialists, occupational therapists, school psychologists or speech-language pathologists would benefit from completing the training.

This training program is based on the Registered Behavior Technician Task List and is designed to meet the 40-hour training requirement for the RBT credential. The program is offered independent of the BACB.

For more information, please call (708) 456-0300, Ext. 3709.

Is learning a foreign language on your to do list?

Whether you want to sound like a native when strolling through Rome, or just want to impress your friends when ordering in a local French bistro, learning a new language is exciting and empowering! Whatever your reason for wanting to learn a foreign language, we can make it happen!

We offer courses in French, Italian, Japanese, Polish and Spanish.

See Pages 70-71 for course descriptions and meeting times.

Train to be a Security Professional

The Triton College School of Continuing Education offers courses in Basic Security Officer (PSA E02) and Firearms (PSA E25). Students will begin with the 20-hour Basic Security course which is certified through the Illinois Department of Financial and Professional Regulation (IDPR) as outlined in the Detective Act. The course covers security fundamentals for both new and experienced security employees who want to earn state certification. This required course along with a PERC (Permanent Employee Registration Card) are needed for employment with private security agencies.

Armed officers in Illinois need an additional 20 hours of instruction beyond the 20-hour Basic Security course in order to carry a firearm in the line of duty. Our 20-hour Firearms course (PSA E25) is composed of classroom instruction, written test, firing range practice and final qualification. A current Illinois Firearm Owner's Identification Card is a prerequisite to receive firearms training at Triton College.

20-HOUR Basic Security Training

PSA E02 201
Saturdays, Sept. 7-21, 8 a.m.-3:35 p.m.

PSA E02 202
Saturdays, Oct. 26-Nov. 9, 8 a.m.-3:35 p.m.

Private Security Firearms Training

Saturdays, Sept. 28-Oct. 12, 8 a.m.-5:55 p.m.

PSA E25 202
Saturdays, Nov. 23-Dec. 14, 8 a.m.-5:55 p.m.

For more information or to register, call (708) 456-0300, Ext. 3500, or go to triton.edu/ce.

Prenatal Yoga

Prenatal yoga course honors the changes a woman goes through during pregnancy. The gentle stretching and supported strengthening poses ease some of the discomfort of pregnancy and help to prepare the body for childbirth. A series of asanas (poses) and pranayama (breathing techniques) strengthen the body in preparation for childbirth and calm the mind. Props will be used, such as blocks and straps, to facilitate correct alignment. Students should wear loose clothing and bring a mat and blanket.

Pharmacy Technician Program

Pharmacy technicians work under the supervision of licensed pharmacists to perform technical duties in the systematic operation of the pharmacy – providing health care services and medications to patients. This 75-hour course will introduce students to various settings in pharmacy practice, including the community, hospital, managed care, mail order and long-term care. Information on qualifying for the pharmacy certification examination will be provided. Technicians may perform many of the same duties as pharmacists; however, all of a technician's work must be checked by a pharmacist before medicine can be dispensed to a patient.

Career Outlook

According to the Bureau of Labor Statistics (BLS), employment of pharmacy technicians is projected to grow 20 percent from 2012 to 2022, faster than the average for all occupations. Several factors will lead to increased demand for prescription medications. Depending on the position, the technician may also manage third-party billing, answer telephones, direct customers to items or to the pharmacist for medication consultation, receive written prescriptions, clean and sterilize dispensing bottles and instruments, answer questions regarding non-drug products, and operate a cash register.

Salaries vary depending on experience, hours, and location. The median annual wage for pharmacy technicians was \$29,320 in May 2012.

Educational Requirements

High school diploma or equivalent. Since pharmacy technicians interact daily with co-workers, patients and health care professionals, good communication and interpersonal skills are essential. It is recommended that students take the math placement exam to ensure their ability to do basic college math.

Course Schedule Fall 2019

Handling Medical Emergencies 1.5 AEC

What would you do if a member of your family suffered a medical emergency? You could certainly call for trained emergency medical responders, but what would you do while you're waiting for them to arrive? Every second counts during a medical emergency. Recognizing the early signs and symptoms of common medical conditions and providing appropriate treatment can mean a better outcome for the patient. Early recognition and intervention can greatly reduce the seriousness of the illness, which means a shorter hospital stay and lower medical costs. It's also very satisfying to know how to help someone in a time of need. This course will identify common medical emergencies affecting children and adults, help you recognize signs and symptoms, and teach you how to render appropriate emergency care. For adults, you will learn how to recognize and manage chest pain, heart attack, stroke, diabetic problems, seizures, breathing difficulty, burns and allergic reactions. For children, you will also learn about poisoning, fever, childhood illnesses, injuries from accidents, and the signs of abuse.

This course covers both digital and film photography. Are you unsure of how to use your digital or film camera? Are you dissatisfied with the photos you get in automatic mode? Have you ever seen an amazing photo and wondered how the photographer got it? You can learn to confidently and consistently take good photographs through an understanding of automatic and manual camera operation, exposure, flash and various photographic composition techniques used by professional photographers. Bring your camera to this class along with your instruction book or camera manual. Make sure you have memory cards or film.

Introduction to Photoshop CS5 1.5 AEC

If you're a photographer, a graphic artist, or you just want to alter your old family photos, Adobe Photoshop is the program you most need to learn. A hands-on, project-oriented course that is filled with detailed, step-by-step instructions that you will have no trouble following as you learn how to edit photos, create basic paintings and prepare your images for printing. Discover how to improve photographs by removing flaws, correcting poor exposure, or adding new elements using the newest techniques Photoshop CS5 has to offer. You will even learn how much fun it can be to paint again without the usual mess. And, best of all, you won't need any prior artistic ability or Photoshop experience to take this course.

New Fitness Courses this Fall

Barre Workout

This full-body workout focuses on postural strength and alignment followed by a series of upper-body exercises. The ballet barre will be used to sculpt the lower body for flexibility training and definition of muscles. Emphasis on invigorating Eight Sessions.

FIT C10 201; 9/10/19-10/29/19; Tuesdays, 5:45-6:45 p.m., \$62

FIT C10 202; 9/9/19-10/28/19; Wednesdays, 12-12:50 p.m., \$62

Abs from All Angles

Feel the crunch. Feel the six pack. Having a strong core is the cornerstone for performing many exercises properly and safely. This course challenges you to take on a mixture of abs exercises to work the core muscles. This course is the perfect complement to any workout plan. Four Sessions – Bring a mat.

FIT C11 201; 9/19/19-10/10/19; Thursdays, 7:15-8:15 p.m., \$22

Tone the Lower Zone

This class is a total lower-body workout. Focus on those hard to sculpt areas to trim thighs and shape your legs. This toning class will focus on thighs, legs and gluteal muscles. It is the perfect addition to any workout routine. Four Sessions – Bring a mat.

FIT C12 201; 10/24/19-11/14/19; Thursdays, 7:15-8:15 p.m., \$22

Prenatal Yoga

This prenatal yoga course honors the changes a woman goes through during pregnancy. The gentle stretching and supported strengthening poses ease some of the discomfort of pregnancy and helps prepare the body for childbirth. A series of poses and pranayama (breathing techniques) strengthens the body in preparation for childbirth and calms the mind. Students should wear loose clothing and bring a mat.

REC C96 201; 9/11/19-12/4/19; Wednesdays, 6-7 p.m., \$49

Pilates Reformer Introduction

The Reformer is a sophisticated system of springs, straps, pulleys and a rolling platform. This equipment, like all of the Pilates equipment, works in two ways: It can act as additional muscles to aid the body on its path to health while you work towards efficient movement patterns, and it can also provide resistance to build strong muscles and bones. No experience is necessary for beginners; equipment adjustment and changes are explained and demonstrated throughout the class.

FIT C13 201; 9/9/19-10/28/19; Mondays, 6-7 p.m., \$62

FIT C13 202; 9/12/19-10/31/19; Thursdays, 12-12:50 p.m., \$62

J.U.M.P.

A total body workout focusing on conditioning the body using jump ropes. J.U.M.P. (Jump rope-Upper body-Muscular strength-Power) will teach students how to circulate through a variety of multifunctional exercises. Participants do not need to be a master rope skipper to take this course.

FIT C14 201; 9/14/19-10/5/19; Saturdays, 9-9:50 a.m., \$22

FIT C14 202; 10/8/19-10/29/19; Tuesdays, 10-10:50 a.m., \$22

Rock Drum Fitness

A total body cardio workout that uses light weighted “drumsticks” called ripstix. Each class fuses Pilates, isometric movements and aerobics with constant stimulated drumming to sculpt muscle and burn calories. The routines are simple and easy to follow.

FIT C15 201; 9/14/19-10/5/19; Saturdays, 10-10:50 a.m., \$22

Ageless Aerobics

Designed for all ages. An easygoing class with a slow pace using various props. The use of light or heavy weights is optional. Includes core and balance exercises.

FIT C16 201; 10/12/19-11/2/19; Saturdays, 9-9:50 a.m., \$22

Kettlebell Combine

A total body cardio workout focusing on strength conditioning using kettlebells and plyometrics.

FIT C17 201; 10/12/19-11/2/19; Saturdays, 10-10:50 a.m., \$22

Human Resource & Compensation Management

2 AEC

Today's competitive global world is extremely dependent on highly skilled and technologically adept workers. Employee benefits continue to be an integral part of the human resource and compensation management functions of an organization. The first part provides an overview of human resource management, including a discussion of internal and external factors affecting supervision. The legal and managerial requirements that human resource and compensation decisions be made in a nondiscriminatory manner are examined, the processes for carrying out effective recruitment and retention are presented, and issues related to creating effective training and development programs and dependable performance assessment systems are emphasized. Continues with assignments covering such topics as incentive programs, total compensation approaches and strategies for their implementation, and employee rights and the applications of such right in disciplinary, discharge and termination situations. One assignment is devoted to labor relations, a critical function in many human resource departments. The collective bargaining process, the motivations for employees to organize, the legislative and administrative roles of the government in this process, and the impact of unionization on employers are covered in this assignment. Concludes with a discussion of specific practices and policies of human resource management that are needed to support high-performance work systems.

Introduction to QuickBooks 1.5 AEC

QuickBooks is designed for the small-to-midsized business owner who enjoys Quicken's ease of use, but prefers a more traditional approach to accounting. Learn how this well-designed program can make it a snap to set up a chart of accounts, reconcile your checking account, create and print invoices, receipts, and statements, track your payables, inventory, and receivables, create estimates, and generate reports. Required: QuickBooks Pro 2008 or QuickBooks Premier 2008 (please be sure to install this software on your computer before the course begins); Microsoft Windows XP; Internet access; email; and the Internet Explorer or Netscape or Firefox Web browser. Course is not suitable for Macintosh users, nor for users of QuickBooks Online or QuickBooks SimpleStart.

Computer Skills for the Workplace 1.5 AEC

Most jobs today require a working knowledge of certain computer skills. Employers seek and reward employees with the skills and knowledge to send messages across the country via email; use a spreadsheet to create a graph and paste it into a report; add and edit data in a database; understand the implications of file sizes, memory limitations, and network arrangements; and recognize the function and features of modern computer components. Any job candidate who already possesses these skills will stand above those who do not. Designed to provide the fundamental computer competencies you need to survive and prosper in today's fast-changing workplace. Learn how to implement the powers of modern office software to work faster and more efficiently. Focuses on practical application for software most common to the workplace. At the end of the course, you will have learned why employers consider technological literacy so critical to the success of any organization.

Project Management Fundamentals 1.5 AEC

There are more projects occurring today than at any time in history. Organizations initiate projects to create new computer applications, erect bridges and buildings, improve processes, develop new products, and reorganize company operations. Unfortunately, most organizations do not manage projects well, creating an unprecedented demand for project management practitioners. If you're organized, perceptive, detail-oriented, and an excellent communicator, you just might have what it takes to succeed in the fast-growing field of project management. If you're new to project management, this course will provide you with the essential information you'll need to prepare for and complete your first project. If you're an experienced project manager, this course will make you more valuable to your employer by increasing your skills and competencies. This course will also help you prepare for the internationally recognized Project Management Professional (PMP) and Certified Associate in Project Management (CAPM) exams offered by the Project Management Institute. Solving Classroom Discipline Problems 1.5 AEC

Why do some teachers enjoy peaceful, orderly classrooms while other teachers face daily discipline battles? The answer is that many teachers have not been taught the secrets to solving discipline problems. This course reveals those secrets and presents a step-by-step approach to effective, positive classroom discipline. Teachers continually rate this course one of the most valuable they have ever taken. Internet access; email; and the Internet Explorer or Netscape or Firefox Web browser are required to register for this course.

Dental Assisting Program

The Dental Assisting Program prepares students for entry-level positions in one of the fastest growing health care positions. Dental assistants provide quality preventative and corrective dental care under direct supervision of the dentist or dental hygienist. Dental assistants work in a variety of health care settings including dentist offices, hospitals and other similar facilities. The purpose of this course is to familiarize the student with all areas of pre-clinical dental assisting and provide training in the professional skills required to function as an assistant in the dental practice.

Make a Difference with RSVP

Put your talents and experience to work with the RSVP Volunteer Program of West Suburban Cook and Southern DuPage Counties. We can help by identifying volunteer opportunities in your community.

You can:

- Provide tax assistance
- Help ESL students practice their English conversational skills
- Give companionship by visiting, listening, talking or reading to older adults
- Serve as a mentor
- Work with children
- And more

What you will receive in return is the joy of volunteering, as well as:

- Free membership in a national organization
- A quarterly newsletter
- Mileage reimbursement upon request
- Supplemental auto insurance
- Invitation to volunteer appreciation events
- A feeling of accomplishment by giving back to the community and feeling good about yourself
