

Area of Study: Art, Humanities and Social Sciences
Pathway: Philosophy and Logic
Degree type: Associate in Arts
Curriculum Code: BES.PHL.AA (U224A38)

(Total Program Credits: 60)

Philosophy is the study of the very possibility of our knowledge. It provides the intellectual tools to approach specific questions in the humanities, the sciences and religion and it explores what it means to be human at a very basic level, asking questions such as "who am I?" "How can I be sure of my knowledge of the world?" "What is the right thing to do?" At Triton College students in the Philosophy and Logic pathway to develop critical thinking skills while satisfying virtually all the general education requirements to transfer to a four-year institution pursuing any major. Students who are specifically interested in an academic career in Philosophy will be mentored by the program's instructors and skills for guided towards a successful transfer.

PROGRAM LEARNING OUTCOMES:

At the successful completion of the Associate in Arts Degree (Philosophy and Logic) emphasis, the graduate will be able to:

- define core terms and concepts that are critical to philosophical discourse;
- identify major thinkers and theorists across disciplines;
- delineate the vast array of philosophical orientations from around the globe and across eras;
- analyze contemporary issues using sound reasoning and critical thinking;
- compare major philosophical inquiries for critical appraisal or application;
- articulate their personal philosophical positions with cogency; and
- defend their personal positions through effective utilization of information from across disciplines.

Placement Measures MAT, RHT, and COL sequence placement will be determined by an Academic Advisor. Contact your Academic Advisor before registering for courses.

Developmental education courses do not transfer. They assist students in the path towards college credit.

Program Map for Full-Time Students

Semester One: Fall	Category	Next Steps
