#### ADMINISTRATIVE REPORT

<u>Scholars Program</u>: President Moore introduced Scholars Program Director Michal Flaherty to present several outstanding graduating scholars. She noted that this is the twentieth year that the Scholars Program has included the component of service learning. Dr. Flaherty discussed the rigors of the Scholars Program including volunteer work, independent learning, and advanced classes. He introduced the following students.

Monserrat Chavez from West Leyden did volunteer work in the Triton Library. She graduated with honors on an education pathway, but is going to stay at Triton for another semester to complete a Business major. Donovan Grbic from West Leyden volunteered at the Triton Library and the Northlake Library. He was accepted at Elmhurst and University of Wisconsin and is leaning toward Wisconsin with a full-ride scholarship.

Adam Kania from Christian Liberty Academy was in TCSA and Model Illinois Government and has been accepted at several universities and is waiting to hear from his first choice — Georgetown. Madeline Norton from Proviso Math & Science Academy volunteered in the Triton Library and Feed My Starving Children. She was accepted at several universities and will be attending Georgetown University. Victoria Zubchenko from East Leyden volunteered at Feed My Starving Children. She is the Scholars Program/Elmhurst University Scholarship winner, a full-ride scholarship worth over \$80,000.

Dr. Flaherty stated that none of this student success would have happened without the Scholars Program, and thanked the Board of their essential support.

#### PRESIDENT'S REPORT

President Mary-Rita Moore congratulated the Class of 2022, commenting that the celebrations have been great. There are two events left this semester, the Nursing Pinning and Adult Education Graduation.

#### **CHAIRMAN'S REPORT**

Chairman Mark Stephens discussed how the College has been rebuilt over the thirty years he's been here, both bricks and mortar, and reputation. He expressed gratitude for working with devoted people who do what's best for the school and is proud of the work accomplished. SUBJECT: WRANGLER TECH CCTV CAMERA PURCHASE

**RECOMMENDATION:** That the Board of Trustees approve the purchase of 40 Hanwha CCTV cameras, 40 lenses and 5 external camera mounts from Wrangler Tech, LLC for a total cost of \$51,960.35 to be funded from FY 18 Life Safety funds.

RATIONALE: This equipment will be utilized across a number of campus areas for additional camera coverage, new cameras in renovated areas, and to replace cameras which have reached "end of life" in other areas of campus.
